

INVC Digital Noise Assessment Open Source Licence Agreement

Digital Noise Assessment Template Document (DNA template) Licence Agreement: 2013

1 Applicability and Definitions

This Licence applies to the Industrial Noise and Vibration Centre (INVC) "Digital Noise Assessment Template" noise assessment document (referred to as the "Document" below) and associated appendices in any medium that contains an INVC notice saying it can be distributed and used under the terms of this License. This notice grants a world-wide, royalty-free licence to use that work under the conditions stated herein. Any member of the public can be a licensee, and is addressed as "you". You accept the licence if you copy, modify or distribute the work in a way requiring permission under copyright law. A "Modified Version" of the Document means any work containing the Document or a portion of it, either copied verbatim, or with modifications and/or translated into another language. The document "Title Page" must include certain material detailed in section 5. Where there is no title page as such, "Title Page" means the text near the most prominent appearance of the work's title, preceding the beginning of the body of the text. The "publisher" means any person or entity that distributes copies of the Document to the public.

2 Verbatim Copying

You may copy and distribute the Document in any medium, commercially or non-commercially, provided that this Licence, the copyright notices, and the licence notice saying this Licence applies to the Document are reproduced in all copies, and that you add no other conditions whatsoever to those of this Licence.

3 Modifications

You may create, copy and distribute a Modified Version of the Document under the conditions of section 2 above, provided that you release the Modified Version under precisely this Licence, with the Modified Version filling the role of the Document, thus licensing distribution and modification of the Modified Version to whoever possesses a copy of it. In addition, you must do these things in the Modified Version:

- 3.1 Preserve the copyright notice and warrant disclaimer of the Document, including on the Title Page (see section 5).
- 3.2 Add an appropriate copyright notice for your modifications adjacent to the other copyright notices.
- 3.3 Include an unaltered copy of this Licence as an appendix (i.e. this page).

The INVC does not by this Licence assert or imply endorsement of any Modified Version of the Document.

4 Termination

You may not copy, modify, sublicense, or distribute the Document except as expressly provided under this Licence. Any attempt otherwise to copy, modify, sublicense, or distribute it is void, and will automatically terminate your rights under this Licence.

5 Licence Conditions in your Modified Documents

To use and modify the document, you must include the following elements:-

- 5.1 The Title Page must contain the following text:-

“Copyright Conditions for the use of this document

Portions of this document are copyright INVC 2013 and are subject to the terms of the licence included in the Appendix. All rights reserved. This panel and the Copyright and Licence Conditions Appendix must be included in any modified copies of this document. No part of this publication may be reproduced, modified, stored in a retrieval system, or transmitted, in any form or by any means electronic, mechanical, photocopying, recording or otherwise unless subject to the associated Digital Noise Assessment Template Document Licence Agreement or without written permission of the Industrial Noise & Vibration Centre Limited, 889 Plymouth Road, Slough, Berkshire, SL1 4LP. Registered in England. No 1981938; www.invc.co.uk

Warranty Disclaimer

The original document was developed by the INVC to be used and modified by third parties. Consequently, neither INVC, nor any person acting on its behalf, makes any warranty, express or implied with respect to the content, use of any information, method or process disclosed in this document or that such use may not infringe the rights of any third party or assumes any liabilities with respect to the use of, or for damages resulting in any way from the use of any information, method or process disclosed in the document.”

5.2 Document Appendices

The document must include a complete and unmodified copy of this Licence Agreement as an appendix.
